

**The leafs of the WWB tree. It was created in WBC 2019 in Hungary by 120 professional biography workers from 24 different countries**

**Vision leafs:** *"A vision can die if people forget their connection to one another."*

What do we believe in and what should happen that biography work can become visible in every country in a unique way?

**In this work we asked the groups to form sentences and this is what we got:**

- To Cultivate collegial circles of care so that Biography work, as it's own stream can respond to the times in a living way that supports and protects the Human I
- To help self recognition to enable the integration with humanity development
- Bringing the undeveloped Social Question in connection with Self-Education into the Centre (Quality)
- Biography as social and research impulse
- Integration of the work for all ages and stages – Education, Research, Accessible, Individual, Corporate, Resources, New tools, national, Family, Autism, Coaching, Counselling
- We reach out and offer a dialogue from heart to heart
- Seeking the image of man in the pure sound of meeting – Das urbild des menschen im klang der begegnung suchen
- Build up a solid Foundation (world –law) network to sustain (local-social) become visible (Individual –I)
- Strengthening and nourishing the Finnish Network with individual skills and qualities
- ITF – Carry each other to be able to carry yourself
- Bridging; Joy; Deepening; Trust –Diversity. Connect own deep will + gifts into togetherness for the good of humanity
- Thou – Touch, Unknown, Love, Wound, Live, Now
- Sophia consciousness as a spiritual path in a space of "I-You\_We"
- I – Inner movement, Connection, Compassion, In Between, World needs, I serve you, Community, Individual
- Wisdom from the East to the World
- Let's create an open cradle from the different biographical streams, in order to nourish everyone's practice, become visible together, allow ongoing transformation and radiate

**Scenarios leafs:** *"Scenarios are images of future situations which might come true"*

The committed person brings an energy, passion and excitement. Caring is personal. It is rooted in an individual's own set of values, concerns and aspirations.

**In this work we asked the groups to form sentences and this is what we got:**
